

Appreciation for your support for the "Media Day"

Mr. Litha Hermanus  
Development Assistant  
Grant Assistance for Grassroots Human Security Projects (GGP Programme),  
Embassy of Japan in South Africa

Dear Litha,

I would like to thank for your kind and fantastic assistance for our "Media Day" on the 26th October 2017, which is one of the most important event for our Embassy, especially for knowledge sharing about our bilateral cooperation between South Africa and Japan.

I would like to emphasize that your assistance was indeed irreplaceable for the Media Day. Thanks to your support, we could be given several interviews including SABC morning news and radio live programme. Therefore we could share the outputs of our GGP programmes publicly, widely and effectively through the several sources of the media. I believe that your experiences have been really helpful for us, since you joined to our embassy after your experiences in the South African media industry. Therefore I believe that your coordination with media companies have been such successful.

In addition, I would like to thank for your report of the Media Day. There is no doubt that your language skills, including Japanese and South African local languages, and your communication skills that could be loved from everyone, have effectively helped our work all the time.

I am sure that your continuous assistance is necessary for us.

All the best,  
Gotaro
